Pricing Details for Remote Desktop

Your eBLVD license provides 24/7 access to your own "Host PC" List where you can have unlimited access to each of your Host PCs – 365 days a year.

There is no limit to the number of connections or minutes that you use. The only limitation is the number of concurrent Host PCs cannot exceed the number allowed for your license. All Remote Desktop connections are one-to-one.

> *NOTE*: Any Windows PC or Server can be activated for access. All that's needed is a web browser.
